

On the Deck, Current Adventures at GraySail

GraySail Launches DAODAS.org

The South Carolina Department of Alcohol and Other Drug Abuse Services (DAODAS) has a new Web site. The contract, awarded several months earlier, was granted to Advanced Automation Consulting (AAC) with GraySail listed as a subcontractor. GraySail's technical expertise and graphic design services drove the development of the new site. View the site at <http://www.daodas.org>.

Advanced Automation Consulting (AAC) is a Columbia, South Carolina based business that employs staff and consultants with interest in technology, computer science, engineering and business. More information about AAC can be found at <http://www.aacsc.net>.

DAODAS is the single state authority for alcohol and other drug abuse programming as originally authorized by Public Law 91-616 of 1970 and Public Law 92-255 of 1972. The department reports directly to the Governor and is responsible for advising the executive branch of state, the General Assembly and other state agencies regarding alcohol and other drug abuse issues.

GraySail LLC is a Web and data services company based on Columbia, South Carolina. Specializing in the area of complex data problems, GraySail provides a variety of business/technical consulting and development services. Along with solutions related to data architecture and analysis GraySail also provides marketing media services such as graphic design, web design, logo development, and flash animation design.
